It is observed that despite the instructions, the progress is not being reported to the Government regularly by all the Collectors.

A copy of the proforma of monthly report is communicated to all the District Collectors. They are requested to ensure that the required information is furnished in the proforma so as to reach Government positively by 10th of the month succeeding each month. In case no bonded labourers are identified or rehabilitated during the month under review, a 'NIL' report should be sent to Government with a copy to Director of Social Welfare.

Reports should be sent to Government for the month of April, 1985 onwards.

The receipt of this Memo should be acknowledged.
